Re: Attendance at the Downtown Neighborhood Restoration Society
Meeting, Granite City, Illinois, February 9, 1990

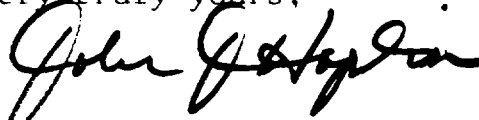

Dear Mr. Bradley:

This is to follow up our telephone conversation of Thursday, February 1, 1990, in regard to the above-styled matter. You have graciously agreed to appear at the meeting of the Downtown Neighborhood Restoration Society on February 9, 1990. The meeting will be held at one of the meeting rooms in the downtown Granite City YMCA building. The Granite City YMCA is located at the corner of Niedringhaus & Edison Avenue in downtown Granite City. From your extensive travels in the area, I am sure that you are generally aware of the location of the YMCA building. If you need any further directions, please feel free to contact my office at your convenience.

As I stated in our telephone conversation, the Downtown Neighborhood Restoration Society is an organization of homeowners in and around the downtown section of Granite City, the section most affected by the proposed EPA clean-up. As such, we appreciate your appearing at our meeting to answer questions and to receive additional input for the decision-making process. On behalf of the entire organization, please accept our thanks for your cooperation in this regard.

I will look forward to seeing you at our meeting on the 9th and probably visiting with you at the public hearing on February 8.

Very truly yours,

John J. Hopkins
